

Austin Energy Regional Science Festival 2021

JR/SR TEACHER TRAINING SCHEDULE

TOPIC SPECIFIC TRAINING SESSIONS

All sessions will be virtual. The full PPT will be available on-line at <http://www.sciencefest.org/images/pdfs/JSTeacherOrientation.pptx> for those who can not make the meetings. The PPT will be updated weekly after the training session. Prior to the meeting, please sign up on-line and submit any questions you would like answered in the upcoming session. The link to the teacher orientation will be on our website www.sciencefest.org. Please extend us some grace. We will be trying out different platforms, so you may have to re-register for different training sessions.
